

Tobacco-Free Lee works to improve health *Open community meeting*

Fort Myers, FL— The Tobacco-Free Lee Coalition welcomes the public to its monthly meeting at 2:30 p.m. Wednesday, October 19, 2011, at the Conference Room of the Lee County Health Department, 83 Pondella Road, in North Fort Myers.

Agenda topics to be discussed include smoke free multi-unit dwelling TV ads, planned student interaction with the state legislative delegation and a plan for the November 17 Great American Smokeout.

“The Tobacco-Free Lee Coalition has been instrumental in bringing about policy change through grass roots involvement from leaders within the student, business, health and hospital communities to cut tobacco-use rates,” said Brendan Donohue, tobacco cessation specialist with the Lee County Health Department. Everyone is welcome.
