

Injury Prevention group meets on Fit Friendly

Fort Myers, FL—The Lee County Injury Prevention Coalition invites the public to its regular monthly meeting at 8:30 a.m. Wednesday, October 19, 2011, where featured speaker Sally Jackson will discuss the Fit Friendly Coalition’s approach to developing healthier lifestyles.

The coalition is comprised of more than 80 different health and safety agencies and experts. The partnership provides increased resources, efficiency and consistent delivery of unified safety messages to the community.

The meeting is held at the United Way conference room, 7275 Concourse Drive in Fort Myers. For more information go to www.leecountyinjuryprevention.org
