

Tobacco Free Lee meets

Fort Myers, FL— The Tobacco-Free Lee Coalition welcomes the public to its monthly meeting at 2:30 p.m. Wednesday, November 16, 2011, at the Conference Room of the Lee County Health Department, 83 Pondella Road, in North Fort Myers.

Agenda topics to be discussed include the final details for the November 17 Great American Smoke Out at Centennial Park, interaction with the state legislative delegation and the newsletter.

“The Tobacco-Free Lee Coalition has been instrumental in bringing about policy change through grass roots involvement from leaders within the student, business, health and hospital communities to cut tobacco-use rates,” said Brendan Donohue, tobacco prevention specialist with the Lee County Health Department.

Everyone is welcome.
