Fort Myers, FL—The Tobacco-Free Lee Coalition is encouraging the public to attend its upcoming monthly meeting Wednesday afternoon, June 15, 2011, at the Conference Room of the Lee County Health Department, 83 Pondella Road, in North Fort Myers.

“We’re constantly inventing new ways to counter the marketing strategies of Big Tobacco and help the general public become healthier,” said Brendan Donohue, tobacco program specialist at the Lee County Health Department. “We’re a grass roots organization with involvement by students, businesses, health leaders and faith-based organizations and welcome everyone interested.”
